Sequoits Trim Ela-V; Beat Woodstock 64-51; Play Grayslake Next

Antioch Comes Back Strong After Recent Slump; To Play Grant

Stung by recent defeats, the Antioch High School basketball team bounced back with an overwhelming victory over Ela-Vernon here Friday night 74 to 57.

Although somewhat sluggish the following night in the game with Woodstock the Sequoits won comfortably 64 to 51.

Antioch will begin her second round of conference play against Grayslake here tomorrow night and then will be headed for a tough one with Grant at Ingleside next Tuesday night.

"We put up the toughest full court press of play to date in the Ela-Vernon game," commented Coach Richard Scott. "Ela lost the ball time after time through the effective work of our team."

Mike Haviland, playing a good floor game, was high point man for Antioch Friday night with 16 points. Butch Brownlee, continuing his adeptness of intercepting passes, and Ben Floyd who did a good job on the rebounding, both scored 14 points, while Fred Clarke who also rebounded well, played one of his best games of the season, racking up 13 points.

Palmer Injured in Game
Jack Palmer played well at forward until an injury took him out of play.

The Sequoits took a commanding lead at the end of the first quarter 20 to 10 and ran the score to 48 to 20 at half time.

The battle was more even in the third quarter, and it was only when Coach Scott turned in his substitutes during the last quarter that Ela was able to gain any advantage. The Bears took that quarter 28 to 17.

Although the Sequoits held the lead all the way in their game with Woodstock Saturday night, they were not eight points ahead when the fourth quarter opened. Five points were added to this margin in the final quarter to make the victory 64 to 51.

Second Semester of Eve. Adult Classes To Start Next Week

The second semester of adult evening classes at Antioch Township High School will start Monday.

Classes in art, woodshop, chorus, band, and shorthand will continue for 10 weeks. Adults interested may register the first night the class meets and the registration fee also can be paid at that time.

Classes will meet from 8 to 9 p. m. and will meet in accordance with the following schedule:

Chorus, Monday, Jan. 24; band Tuesday, Jan. 25; woodshop, Wednesday, Jan. 26; or Thursday, Jan. 27; Art for adults only, Thursday, Jan. 27; shorthand, Jan. 25.

It is necessary to have 10 students in a class before it may be conducted.

The adult evening school has just concluded a successful program of first semester courses. One hundred and two adults took art, typing, woodshop, shorthand, chorus and band.

Officers of Girl Scout Council Meet Tonight

An important board meeting for officers and chairmen of the Lakeside Girl Scout Council will be held at 8 p. m. today in the Lake Villa Village Hall.

It was voted at the last board meeting that anyone not attending would forfeit his privilege to vote in Council plans and procedures.

Plans were made for the annual Lakeside Girl Scout Council Exhibit, which will be held in March this year.

The next Lakeside Girl Scout council meeting for all registered units in Scouting will be held Jan. 24 at 8 p. m., at the Round Lake High School. This will be an important meeting, and all Neighborhood chairmen should alert their leaders.

Mrs. Lestina's Mother, Mrs. Vondrasek, Dies

Mrs. Victoria Vondrasek of Chicago, mother of Mrs. Sylvia Lestina Warriner Shores, died Thursday morning, Jan. 13 at Chicago as the result of a heart attack. She was 82 years of age. Mrs. Lestina's sons, Raymond and Frank Zeman, also of Antioch, and their families attended funeral in Chicago.

First Treatment Given To Antioch Lake Ice By Firemen for Skating

Antioch lake was given its first treatment as a place for skating Sunday by the Antioch fire department.

Chief Edgar Simonsen said that slush had made the ice so rough that it was necessary to flood it first to cover the holes and rough places.

Later the firemen will turn sprays and finally a mist on the ice to bring it to proper condition for the best of skating.

Even though this final work hasn't been done, the young people are doing a lot of skating there.

Legion Auxiliary Gets Senator McClory As Speaker For Jan. 28

State Senator Robert McClory will be the guest speaker at the next meeting of Antioch Unit 748, American Legion Auxiliary at 8 p. m. Friday, Jan. 28 in the Legion Home.

Senator McClory will discuss the legislative program of the 69th general assembly of Illinois.

This will be an open meeting and the Antioch unit is extending an invitation to all organizations and individuals to attend and hear Senator McClory explain the work of the state legislature.

Samuel Elmer, D.V.S. Formerly Of Antioch Veterinarian Of Year

Dr. Samuel Elmer, Richland Center veterinarian, formerly of Antioch, received the first annual award as the "Veterinarian of the Year," at the 39th annual meeting of the Wisconsin Veterinary Medical Association, Jan. 12.

Elmer was cited for his work in and for the association and for his community activities in Richland Center.

Dr. Elmer was an assistant to Dr. G. W. Jensen in 1933-34 and lived in Antioch. He moved to Richland Center and established his own practice.

Goetz May Steal Show At Wrestling Match in Central's Gym Saturday

Those who have been watching wrestling on television from Chicago are aware that Fox Lake's Billy Goetz has been winning regularly through a multiplicity of holds, and can be expected to stage a marvelous exhibition Saturday night in the tag match with Pat O'Connor against Rasputin and Bobby Nelson at Central High School's gymnasium in Salem.

Antioch's Jim McMillen will referee the bout.

Two other strong matches put Tor Yamato of Japan against Al Szasz, and Jon Arjon of France meeting Red Bastien.

Returning to Goetz, it is said he knows 300 body holds and on top of that jiu jitsu, having learned them over a period of 15 years.

In a day of brutal wrestlers with gouging tactics, Goetz is a refresher in most arenas. He continues to build his 200-pound body with the addition that made him the Junior Heavyweight champ of the Midwest. He grew up on Chicago's North Side, and from the age of 13, began to master such games as gymnastics, wrestling, football, underwater swimming, archery and fishing.

The sportsman's fever has always been in his blood. To this day he awakens at 6 each morning to catch his own fish off a beach practically adjoining his 10-room home. The home is a byproduct of a wrestling career that turned Billy into a major attraction on TV out of Chicago.

The heels of the business like Hans Schmidt and Killer Kowalski may at times outdraw him, but not many can keep the public excited year in and year out on clean wrestling, the display of intricate holds, a throwback to the sturdy old days of scientific wrestling. Billy knows the body structure, with its weaknesses, almost as uncannily as a physiologist.

He is quiet and unassuming outside the ring. Enjoys teaching wrestling to kids, and is presently attached to Boy Scout programs. He also was named a judge for the annual soap-box derby.

The Goetz family in Fox Lake numbers a boy, 8 year-old Eddie, and two girls, Georgia, 5, and Ginger, 3. Mama Goetz, or Ruth, keeps the brood close to the TV set many times when Pop is wrestling. Eddie had already told friends, "My pop flies through the air like Superman."

Suburban Council Asks Northwest Conference To Include Round Lake

Suggest North Suburban for North Chicago; Place Wheaton, Elmwood

Recommendation that Round Lake High School be included next year in the Northwest Conference was made by the re-alignment committee at the meeting yesterday of the Council of Suburban Conferences in Chicago yesterday.

At the same time the council recommended that North Chicago be made a member of the North Suburban Conference; Elmwood Park admitted to the Suburban Conference, and Wheaton to the West Suburban Conference.

This action was accepted from the committee by the council together with another recommendation that a long range careful study of school enrollments of members of the seven conferences be made with a view of possible revision of conference arrangement. Principal A. L. Dittman, Antioch, secretary of the council said.

"Four recommendations were made and two were accepted," he said.

The two not accepted called for the conferences to arrange games with the four non-member schools to provide them a full year of competition, or (2) that two of the conferences be combined, the non-members added, and then total divided into three conferences.

The re-alignment committee included Raymond Moore, L. Forest, North Suburban Conference; Gerald McElroy, Palatine, Northwest Conference; E. Wolters, Suburban Conference; T. R. Birkhead, Bremen, Southwest Suburban; C. E. Wingo, Argo, South Suburban; L. R. Haeish, Riverside, West Suburban; and John Nelson, Batavia, Little Seven.

Round Lake High, which will become a four-year school next year; North Chicago, and Elmwood Park are new schools, while Wheaton which became too strong for the Little Seven has been free-lancing.

North Shore Council of Boy Scouts Leads Four States in Gains

At the monthly executive board meeting of the North Shore Area Council held Jan. 12 in Libertyville, end of the year reports outlined the tremendous gains in Scouting made during the past year. Antioch Scout troops are in this council.

Paul Hakanen, Libertyville, reporting for the organization and extension committee, indicated that the Council had a net gain of 800 boys and 360 adults for a gain in excess of 15 per cent. As of December 31 the Council had a total of 152 Cub Packs, Troops and Posts, compared with 137 a year ago; 3581 Cub Scouts compared with 3083; 2786 Boy Scouts in Troops compared with 2615; 343 Explorer Scouts compared with 214, for a total of 6710 boys compared with 5912. In adults the Council total was 2110 compared with 1794 and in total boys and men, 8820 compared with 7706.

The Council, serving 34 communities in Lake and North Cook Counties, has actually registered 71.8 per cent of all available boys between 8 and 10 years of age; 40.5 per cent of all boys between 11 and 13 and 14.4 per cent of all boys between 14 and 16 years of age, or 47.2 per cent of all boys between the ages of 8 and 16 inclusive. This outstanding record leads the 84 Councils in the States of Indiana, Illinois, Wisconsin and Michigan.

Antioch Jayvees Lead Conference in Victory Over Ela-Vernon Cubs

The Antioch Township High School Junior Varsity basketball team won both of its games over last weekend and by defeating the Ela-Vernon Cubs retained the lead in the Northwest Conference standing.

The Antioch Jayvees have won 6 games and lost 1, while its nearest competitor, Glenbrook has a 5-2 record.

The Sequoits won from Ela-Vernon in the preliminary game here Friday night 55 to 40. The score at the half 30-23. Jerry Huml was high point man with 18 points; Sid Parker, second with 10, and Ed Hastie, third with 9. Pohlman was high point man for Ela with 19 points.

The Jayvees on Saturday night beat the Woodstock Frosh-Soph team 36 to 23. The score at the half was 16-15, but in the second half Antioch pulled away to a wider margin. Huml was high man with 13 points and Hastie second with 9.

Auxiliary Police Force Sworn In Last Night By Mayor McMillen - Ray Toft Named Capt.

Millburn Insurance Co. To Observe Centennial Of Founding, Mar. 12

Annual Meeting Next Tuesday Will be 100th for Mutual Company

The Millburn Mutual Insurance Co. will observe its 100th anniversary with a special meeting March 12 at the Millburn Congregational Church.

H. L. Kennicott, Glenview, Ill., will be the main speaker. The meeting will open at 11 a. m. and at noon the women of the church will serve dinner to members.

The annual meeting of the fire insurance company will be held for the one hundredth time next Tuesday at the Masonic hall at which time officers will be elected.

Present officers are Carl Anderson, Wadsworth, president; J. S. Denman, Millburn, secretary; Robert Denman, Millburn, assistant secretary; Carl Hughes, treasurer; Emmet King, Wadsworth; Frank Cremin, Lake Villa; and John Wirtz, Mundelein, director.

The first meeting to form the company was held March 5, 1855 and a week later the company was formed with Robert Pollock, president; William Sharpe Buffam, secretary; Andrew White, treasurer; George Strang, George H. Webb, and Nathaniel Vose, directors.

Those were the oxen days and at the start the business of the company was limited to a four mile radius of Millburn. Three years later Antioch, Newport, Avon and Warren townships, with the exceptions of the villages of Antioch and Hainesville were added.

The company now has 2,100 policy holders on property insured for \$16,000,000.

At the 50th jubilee celebration in 1905 the Antioch drum corps furnished music.

Records of the company list many prominent families.

During the 100 years of Millburn Mutual Insurance company there have been but few secretaries. After W. S. Buffam, the first secretary, came W. H. Hockaday in 1858. By 1881, J. M. Dodge was secretary and he served until 1887 when Edward P. Dodge took over. In 1892 John A. Thain replaced Dodge and in 1916 the present secretary, Jesse Denman, replaced Thain.

Past Presidents
Presidents were Robert Pollock, 1855; Ira R. Webb, 1858; Sherman Trumbell, (grandfather of Emmet King) 1859; George Strang, 1872-1881; John Strang, 1882-1886; James L. Thain, 1887-1891; J. K. Pollock, 1892-1895; George B. Stephen, 1896-1902; William J. Whyte, 1903-1905; George H. Kennedy 1906-1910; John Bonner, 1911-1916; (president from 1916 to 1922 not obtained); John Thain, 1922-1927; Leslie S. Bonner, 1927-1952; Carl Anderson, 1952-1955.

Mother of Governor Will Address Gavin P.T.A. on February 1

Gavin Parent Teacher association will observe Founders' day at 8 p. m. Tuesday, Feb. 1 in the Gavin school auditorium.

Mrs. William J. Stratton, mother of Governor William G. Stratton, a former teacher at Gavin school, will be the speaker.

Mrs. Dorre Cremin, club historian, prepared an exhibit featuring pictures of former Gavinites when they attended Gavin as far back as 60 years.

Refreshments will be served by the fifth grade mothers. Marguerite Klingenberg, publicity chairman, said that the public is invited to attend.

Lions Club Directors Meet Monday Evening

Directors of the Antioch Lions Club met Monday evening with new officers for the coming year and appointments were made for permanent committees.

Former president Ted Larson was appointed an additional member of the swimming pool committee, and John Russo was named chairman of the Carnival committee.

Final plans for the Annual Ladies night, to take place Jan. 25, at the Waukegan Elks club were reviewed, and it is expected that about two hundred will attend. President Harold Cardiff reminded all that reservations must be made by Saturday, Jan. 22.

Antioch's new volunteer auxiliary police force was sworn in last evening by Mayor James McMillen at the village hall.

Raymond P. Toft, Shell service station proprietor, was made captain, and Arthur W. Meyer of Art's Paint shop was chosen lieutenant.

Other members are Thomas William Pechousek, identified with MariAnne's shop; William W. Lasco, Rte. 173; Robert E. Taylor, shoe merchant; Robert Holm, receiving clerk at Vascolay Raymet, Waukegan; and Russell O. Reeves, painting contractor.

The application of Thomas W. Curries may soon bring the members to eight.

The auxiliary police will operate under the regular police force headed by Chief Walter I. Scott. They will serve at a time most convenient, doing night patrol, and will be subject to call on special cases and in emergencies. They will not be in uniform but will wear the Antioch police badge.

Jack Wells of the state police squad residing at Channel lake, briefed the new police on the nature of their work.

The idea of volunteer auxiliary police was gained by the Antioch Chamber of Commerce which started the ball rolling to provide the service. Applications were received and through three-phase method the eight were chosen.

Through the use of the auxiliary police the community is expected to get 24-hour police protection, a situation that has never been given because the village lacked money to hire policemen. These men serve gratis except at such times when special requests are made for police services.

Dr. Ronald Sleeth Of Garrett B. I. To Preach At Methodist Service

Owing to the special request of several laymen of the Methodist Church of Antioch, Dr. Ronald Sleeth of Evanston, Ill., has been asked to preach Sunday at the 11 a. m. service.

Dr. Sleeth is a member of the faculty at Garrett Biblical Institute in the department of preaching. He has preached in Antioch on several occasions and many will be interested to learn that he will preach again this Sunday.

Rev. Sleeth is originally from West Virginia, where he did his undergraduate work and then went to the Divinity School of Yale University for his seminary studies. He received his doctorate from Northwestern University in the field of speech.

Antioch Area Citizens Plan Booster Club for A. T. H. S. Basketball

An effort to organize an Antioch Booster club to root for the Antioch High School Basketball team will be made within the next few days.

The organization would obligate itself to attend all games, the adult members taking seats together and wearing some insignia indicating membership.

For out of town games the Booster club would charter a bus or busses and form a cheering section.

Dr. Richard Carlucci who announced the plan said that persons interested in joining may call him at Antioch 36, or Harold Cardiff at 881 (Cardi's).

A nucleus of the new organization probably will be found in a group at tomorrow night's game.

The team has been given much support at home, but more support is needed away from home.

"At the coming tournaments Antioch should send a large crowd of boosters, and the Booster club would be the organization to see that this is done," said Carlucci.

He suggested that caps in the colors of the school or penants might be used to identify members at the games.

Band Parents to Buy Trousers for Uniforms

Following a report of the uniform committee headed by Norvin Stoffel, the Antioch Grade School Band Parents association voted to purchase trousers for both boys and girls as the first goal toward their uniforms.

Stoffel reported on prices, styles and materials.

The band parents met at 7 p. m. Monday before the P. T. A. meeting. With the help of the P. T. A. a card party is planned as a benefit for the uniform fund.

Two More Aspirants Throw Hats in Ring; Six for Supervisor

Antioch township voters will not lack for a wide choice of candidates in the coming April election, if filing of petitions continues at the same rate until the March 1st deadline.

A sixth candidate for the office of supervisor has entered the race this week, with the taking out of petitions for the office by John O. Olsen of California Subdivision, Lake Marie. Candidates who have already filed for the office are Wm. A. Rosing, incumbent; Lloyd Murrie, Anthony J. Scully, Joseph Farrin, Jack Wolff.

Richard Seyfarth, former owner of Seyfarth's resort at Lake Marie, and an attorney, will vie with Jack Steiber for votes in a race to fill an unexpired term as Justice of the Peace.

No new candidates have entered the race for highway commissioner during the week. Candidates who have filed for the office are Robert J. Webb, incumbent, and Richard Waters, owner of Dick's Tree Service.

High School Classes Searching for Talent for Series of Shows

All-School Talent to Present Public Show Later in The Year

Plans are under way by the Student Council of Antioch Township High School to conduct a series of talent shows by the various classes.

A special assembly of all students was called at which time the reasons for presentation were given. They include such things as the spirit of cooperation, display of talents, good group attitude and the development of good innovations. Also, it gives a chance for anyone who wishes to perform to display his talent. Many discoveries of hidden talent are brought to light in these shows.

After the special assembly class meetings were conducted to learn whether or not each class wished to shoulder its share of responsibility. The Council received full approval from all classes.

Plans are now under way by each class to search for its talent. Each class is under full supervision of two teachers who serve as their class sponsors. The sponsors supervise and direct the activities of each particular class.

The talent shows will be presented to the high school students free of charge in a social assembly. There will be a series of 40 minute shows. The seniors will present the first one at 8:50 a. m. next Tuesday. The juniors follow up with their presentation on Feb. 8, the sophomores on Feb. 22 and the Freshmen on March 1.

According to a plan set up by the Student Council, a rating system will be set up, so that the entire student body may evaluate each act according to a point system. The five acts receiving the highest rating in each group by the Student Body will then be submitted to a Student-Council-Faculty committee, so that they may select three from each top five to place on the community talent shows to be presented sometime in the near future. Those serving on the Council-Faculty committee are Carol Cervenka, Lynn Bolton, Marilyn Furlan, Mrs. Jeanette Tulumello, Miss Patricia Howard and Mr. A. Dittman.

Plans are under way at present to make four presentations of the All-School Talent Show—at the grade schools, to the Community, and at Downey State hospital.

Antioch Scouts Will Compete in First Aid Final at Ft. Sheridan

Troop 91 sent its Boy Scouts from the Panther and Beaver patrols to the Northwest Council meeting at Libertyville Saturday. The Panther patrol received an A rating in first aid and will go to the finals of the Seventh District on Jan. 29 at Fort Sheridan.

Panthers include Edward Martin, Bob Martin, Micky Baltz, John Proesel, and Bill Wolfenbarger. George Sterbenz served as patient. These boys will be treated to a trip to a high school basketball game by Dr. Richard Carlucci, their former leader and present adviser. The Beavers received a B rating.

Economic Highlights

"Times Ahead to Be Best Ever."

That is the title of a highly optimistic article in the December 17th issue of U. S. News & World Report. The general substance of it is found in the opening paragraph: "The American people's standard of living keeps rising. Over the years, in spite of high prices and high taxes, the average family has been able to afford more and more luxuries, better food, more vacations, a better house. That trend of the past is to continue in years ahead. . . . In 1955, the standard of living—measured by 'real' income—will hit another all time high." 'Real' income is predicated upon the amount of goods and services one's earnings will buy, after taxes.

There are obvious hazards in any economic forecast, as many an expert has learned to his sorrow. But the story that U. S. News tells in brief form is certainly an impressive one.

In a single decade, for instance, living standards have gone up 25 per cent. Many people once feared that our population would grow faster than our economy, which, of course, would have meant a drop in per capita income and a resultant decline in living standards. But the opposite happened instead. We have a greater number of non-earners than ever, which means that the earners must support more people. Still, the rise in "real" income has more than offset that, and by a substantial and growing margin.

In 1947, says U. S. News, per capita spending for personal consumption (based on constant 1953 dollars) was \$1,339. In 1950 it was \$1,402. Last year it was an estimated \$1,434.

The most obvious measurement of living standards is found in our material possessions. And here, despite wars and inflation and everything else, we have been going ahead at a great rate. Where 79 per cent of the homes had electricity in 1940, practically all have it now. Only 40 per cent of the homes had mechanical refrigeration in 1940—now the figure is 90 per cent. Seventy per cent of our families today have cars, as against 50 per cent in 1940. In the same period, the percentage with telephones has almost doubled. So it goes, down an almost endless list.

Home ownership is another big barometer to economists. Last year some 59.3 per cent of the families owned their homes, while only 43.6 per cent did in 1940. Milk consumption is also up, and sales of poultry products have been running at record volume.

Fewer new clothes are being bought. But, the magazines say, they are of better quality. The chemically-produced fabrics, such as rayon and nylon, are being bought at twice the 1940 rate.

People are enjoying more recreation and better

medical care, too. To quote U. S. News once more, "The trend toward improved living standards, in fact, appears nearly everywhere, despite the big increase in the non-working population and the larger size of young American families."

Grass Roots Opinion

Carlsbad, N. M., CURRENT-ARGUS: "The U. S. Supreme Court has indicated that it does not expect immediate compliance with its non-segregation decision in all the nation's schools. It will take time to get peaceful compliance for such a revolutionary change. . . . The high court, in our opinion, is wise in letting its decision go into effect gradually. You can't stuff a sweeping change in a practice going back 200 years down the throat of a people overnight."

SPRING VALLEY, N. Y., LEADER: "According to Virginia's Senator Harry F. Byrd of the Senate Finance Committee, the national debt limit is equal to all the assets in America today and 'we are mortgaged to the hilt.' How an individual decides to 'drown his troubles' may be his own business. When it looks like the national debt may drown the whole country, that becomes the concern of every citizen, every taxpayer."

SHELBY, MONT., PROMOTER: "Survey after survey indicates that, generally speaking, the big commercial highway freighters are not paying their proper share of the cost of building and repairing highways—and these costs have soared to an almost incredible level because of the growth of such heavy traffic. We are building our roads to the specifications of the big truckers and not to accommodate our passenger car level."

The Low Down From Hickory Grove

For making hard jobs easy there are plenty of gadgets and ideas and schemes and I'm for 'em if they work. But the idea behind this thesis today is "why make easy jobs hard." And the best sample of such is what is known as solving "juvenile delinquency."

A better name for juvenile delinquency is plain everyday rowdiness. Also it is not just the juveniles that have a monopoly on delinquency—mama and papa are in on the game—likewise the social-problem solvers of which we have a mighty surplus on our payrolls. A 16 year old boy in California, the paper says, put a haymaker on his school teacher. But the boy's name didn't get in the paper—his family's name was thusly not besmirched. This is the uplift idea. If the names had gotten into the paper, the paterfamilias and his spouse of this 16 year old rowdy would do something about it versus taking it serene, and just looking out the window.

There are meetings galore for solving juvenile "delinquency." All kinds of groups hold 2 and 3 day-long seminars and soirees, listening to profound theory versus gumption, lookin' for an alibi for the rough, tough and uncouth juniors. When 10 and 12 year olds begin shoplifting and 16 year olds punch the teacher's proboscis, and the police are not allowed to lock 'em all up—including the papa and mama, and name names—we will have delinquency with a big "D." Swarms of social, weak-kneed experiments are equal to water on a gander's back. End of thesis.

Yours with the low down,

JO SERRA

Legislative National Security

As the 85th Congress of the United States goes into session in January so the American Legion and the American Legion Auxiliary will stress the need for promoting good legislation on all subjects beneficial to our nation on Civil Defense and National Security and to the Veterans of three wars and the widows and orphans of those who have answered the "Final Call," announced Mrs. Dorothy Horan, president of Antioch Unit 748 American Legion Auxiliary.

At a meeting of the Unit to be held on Friday, Jan. 28, at 8 p. m., at the Legion and Unit hall, Unit Legislative Chairman Mrs. Myra Randall will present a well known speaker who will address the membership and guests on the great need for adequate national security, formation of Civil Defense organizations and the legislation now pending in Congress, sponsored by the American Legion. The speaker will be Senator Robert McClory.

The American Legion Auxiliary promotes the legislation sponsored by the American Legion. This is an American Legion program. Auxiliary members write their congressmen in Washington, D. C., urging the passage of American Legion sponsored bills, beneficial to our country and to the veterans of World Wars I and II and the Korean conflict.

Especially do they stress passage of those bills which will aid the hospitalized veteran and his dependents, as well as bills which will benefit the widows and orphans of those who paid the supreme sacrifice so that you and I might live in peace in a peaceful God-fearing nation. Unit members subscribe to the American Legion's Legislative bulletin to receive first-hand information.

Mr. and Mrs. Joe Nader, Sr., spent last week in Florida with the Hucker, Pavel, Williamson and Fath families who left earlier and had spent two weeks in the south, but all have returned after a very pleasant vacation.

Ronald Nickerson, Airman 3/c who has been in the Army Air Corps for 29 months, 17 months of which have been spent on duty in Africa, returned home last week after receiving his discharge at Westover, Mass., air base on Jan. 4, 1955. At present he is at home with his parents, Mr. and Mrs. Russell Nickerson.

Mrs. Henry Nader entered Condel hospital, Libertyville, for surgery the first of the week.

Mr. and Mrs. William Fish and Mr. and Mrs. Jake Fish were in Kenosha on Sunday to visit Mrs. William Fish's brother Sidney Wallace who recently spent two months in the hospital and is recuperating at the home of his daughter, Mrs. Elmer Pasmiller in Kenosha.

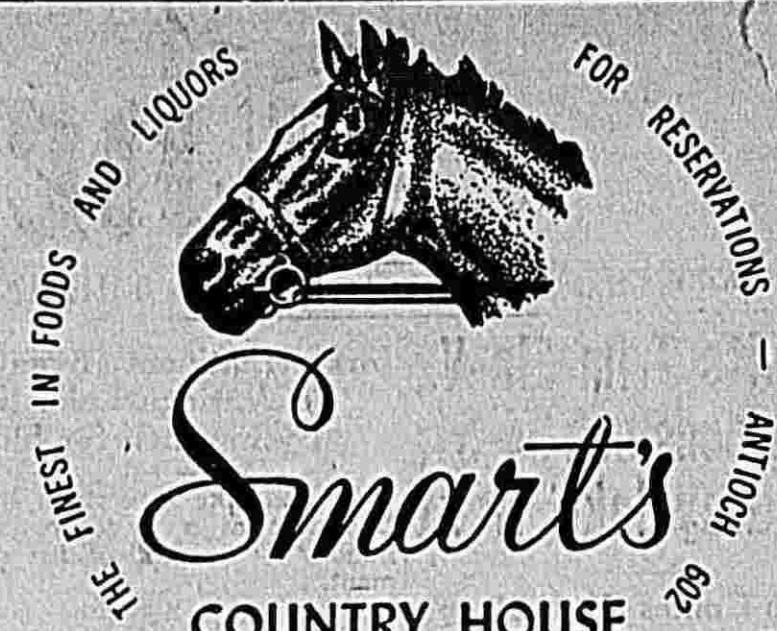

The regular meeting of the Lake Villa Memorial Auxiliary to V. F. W. Post 4308 was held at the fire station on Monday evening, Jan. 3 and plans were made to hold a bakery sale at Hucker's garage on Saturday morning, Jan. 22, opening at 9 a. m. Refreshments were served by Mrs. Wedge, Mrs. McCarthy and Mrs. Behrens.

Mr. and Mrs. Charles Kelly, Mr. and Mrs. P. R. Avery, Sr., and Mrs. Marie Hamlin went to Racine last Thursday where Mr. Kelly receives treatment for his eye, which is improving considerably.

Ronald Walker of U. S. Army and stationed at Ft. Sill, Okla., who was home on leave over the holidays, left last week to return to his base. He is the son of Mr. and Mrs. William Walker.

Miss Genevieve Peterson, of the Dalgard grocery and market, left Sunday by plane to go to Miami, Fla., for a two weeks vacation and will be guest of Mr. and Mrs. Howard Wilton there.

Miss Charlotte Beelow of Antioch was guest of the Russell Nickerson family on Sunday.

Will yours be  one of the
 615,000 Northern Illinois
families to save important 
money with our New
 Appliance Installation Plan?

Are you one of our 615,000 Chicago
area customers who live in a 1, 2, or
3-family building with 120-volt
(2-wire) service? If you are, this
new installation plan of ours can
save you up to \$35 on the installa-
tion of any one of the appliances
shown above... and give you the
modernized wiring you need today.

This installation includes bring-
ing a modern 240-volt (3-wire) line
to the main fuse box inside your
home plus the interior wiring to
wherever you want the appliance
located.

Our New Installation Plan Available at All Dealers

Our new installation plan not only
helps you, but your dealer as well.
All your dealer has to do is call us
once—we do the rest. We arrange a
convenient installation date with
you... line up an electrical con-
tractor... see that the job's done
right and, if you prefer easy pay-
ments on your share of the wiring,
we'll take care of that, too.

What this modernized wiring means
to you now and in the future

Besides saving you up to \$35 on in-
stallation, our new plan improves
your entire home's electric service,
too. Right away you'll notice a
bigger, sharper TV picture, brighter
lights, faster toast. In fact, every
appliance you now own will work
better. With 240-volt capacity,
your home's ready for other ap-
pliances you'll want in the future.

What our New Appliance Installation Plan offers

to customers who live in a 1, 2, or 3-
family building with 120-volt (2-wire)
service.

1. You can save up to \$35
on the installation of any of these
appliances: electric dryer, range,
water heater, air conditioner.
2. Your present appliances work
better once you have new, heavy-
duty 240-volt wiring in your home.
3. You're all set for the future—
you can add wiring for the elec-
trical appliances you'll want in the
years ahead quickly and cheaply.

SOCIETY EVENTS

Antioch Woman's Club Enjoys Hobby Exhibit at Monday's Meeting

The Hobby show of the Antioch Woman's club Monday was well attended by members and guests.

Hobbies of many kinds were displayed and each exhibit was described by its exhibitor. There were collections of spoons, old doll dishes, old bottles, oil paintings, crocheting, knitting, millinery, sewing, and paper work.

Some members brought bakery goods and candy which were sold. Mrs. Clarence Spiering brought a knitting machine and demonstrated how easy it was to make argyle socks.

Mrs. Warren Polley had original crossword puzzles including one made up for the day's meeting with the club as its theme.

Mrs. Dudley Kennedy displayed for a group of ladies the things they sewed for the children of St. Vincent's Orphanage in Chicago. They were dresses, bibs, and blankets.

Mrs. Earl Hays briefly told how to paint china and had several samples of her original designing, and copies of old patterns.

Guests also had interesting hobbies to show. Mrs. William Ingman, Antioch, has crocheted dolls of different nations, dollies and handkerchiefs.

Mrs. Clarence Bradley, Kenosha, had doll clothes, historical and old fashioned. She had many quaint bonnets and several old kid-bodied dolls from Germany and Armenia. One doll was dressed like Queen Mary.

Miss Marsh of Antioch brought things her 80-year-old mother had created—pictures with stones, flowers of fish scales, shell jewelry, and painting made of scraps and bits from nature such as twigs, leaves, peanut hulls, raffia, shavings, etc.

Mrs. Frank Powles was chairman of the program and it was a most interesting afternoon.

Mrs. Robert Berg was elected new program chairman. The refreshment committee comprised Mesdames Einar Petersen, chairman, Edward Cranley, Walter Delaney, John Brogan, Alma Bobzien, Harry Lubeno, Robert Liess, and William Keulman, Sr.

Altar, Rosary Society Installs Officers and Plans Future Events

Newly elected officers of the Altar and Rosary Society of St. Peter's Catholic church, were installed at the monthly meeting Monday, Jan. 3, by Mrs. Richard Hedberg, district president of the Lake County Council of Catholic Women.

Father Alfred J. Henderson, the spiritual director, said the opening and closing prayers. At the close of the meeting, Mrs. A. J. Seisser of Lake Villa, gave a delightfully reading of many famous poems.

Mrs. Thomas Pecchousek, Channel Lake, president; Mrs. Robert Berg, Antioch, vice-president; Mrs. Joseph DeStefano, Channel Lake, secretary; were re-elected. Mrs. DeStefano took over Mrs. Lester Sullivan's secretarial office last summer. Mrs. Walter Delaney, Antioch, is the new treasurer. Mrs. Ray Yancey is the outgoing treasurer.

Chairmen of the standing committees for the coming year are:

Mrs. Jerome Vogler, program and publicity; Mrs. Rudy Eckert, membership; Mrs. Frank Pecchousek, medical missions; Mrs. Frank Kennedy and Mrs. Dudley Kennedy, St. Vincent's Orphanage; Mrs. Thomas Quilty, sacristy; Mrs. R. W. Yancey, study club; Mrs. Richard Hedberg, library and literature; Mrs. Anthony Scully, decency crusade; Mrs. Cecil D'Ambrose, charity; and Mrs. Joseph DeStefano, retreat and daily mass.

The next regular meeting will be Monday evening, February 7, at which time Mrs. Robert Berg and her committee, with the help of the members, will make valentines for the school children.

For a special event, the Altar and Rosary society will sponsor a parish pot luck supper on Sunday night, Feb. 20. Dancing will follow the supper and prizes will be given for the largest family attending, the oldest and youngest persons present. Mrs. Richard Seyfarth and her committee will again be in charge this year. This is for the entire parish and there will be no charge. Everyone is welcome.

The tentative program for the following year is as follows: Feb. 7, Valentine party for members; March 7, the library and literature chairman will provide a guest speaker for a book review; March 28, film and fashion show; May 2, Study club will give a short skit; June 6, luncheon and shower for nuns; July 11, business meeting for summer festival planning; Aug. 1, business meeting for salad bar luncheon and card party; cards; Sept. 12, annual luncheon; Oct. 3, Medical Mission display and silent auction; Nov. 7, St. Vincent's Orphanage shower; Dec. 5, election of officers and Christmas party.

Engagement Announced

Mr. and Mrs. Edward May, of Chicago, announce the engagement of their daughter, Joan, to Mr. Fred Stahmer, Jr. of Antioch.

Officers of Lakes Order of DeMolay

Robert Terry, right, son of Mr. and Mrs. William Terry of Lake Marie, will be installed as an officer in the Lakes chapter of DeMolay at Libertyville. Other officers pictured are, left to right, Anthony Lincoln, Libertyville; Robert Swanson, Ingleside; and Paul Jennings, Mundelein.

R. C. E. Society Gets Encouraging Reports On Progress of Pupils

Members of the Retarded Children's Educational Society of Lake County received encouraging reports Thursday night on the progress of children at the Zion Parkside School and Waukegan Garden School.

At a meeting in the Garden School, Waukegan, Miss Birgit Vickers reported on progress at the Garden School and demonstrated materials she uses in teaching her pupils and showed samples of the students' work.

Mrs. Cleota Baughman and Mrs. Ethel Zweig, teachers, reported on the progress of Parkside pupils and said that additional advance books would be needed for some of the older pupils.

Arthur Leppin, president, introduced Robert Choyke, civic chairman, and Joseph Temaner, business manager, of the Waukegan B'nai B'rith who told of plans for a benefit performance for retarded children, a play entitled "George Washington Slept Here" to be given at the Little Theatre in Waukegan High School on February 27.

The B'nai B'rith was the first fraternal organization to stage a benefit for the society raising about \$700 from "Love, Honor and Oh Boy" last March and have set this year's goal at \$1,000. Miss Julia Gordon Wiener will direct this play.

Educational chairman, Julius Hoppe, presented a color film of retarded children and adults in such activities as dramatics, dancing and rhythm at Dixon State School.

Methodists Plan Supper With Movies for Family Night Thursday, Jan. 27

Plans are being completed for a Family Night at the Methodist church for 6:30 p. m. Thursday, Jan. 27. It will be potluck and those attending are asked to bring a dish to pass and table service.

Those present will take an extensive trip as a group of people show one reel of movies or a selection of not more than ten slides which will give a glimpse of not only the United States, but some of the far corners of the earth. The Rev. Richard Tuttle, former pastor of the church, will be shown with his family in their present Washington home.

A. L. Dittman will conduct a short game and a brief community sing will be led by Stuart Good with Mrs. William Dow at the piano.

Table decorations will be made by Mesdames C. M. Berberich, Rogers Westlake Lisle Rogers and Clarence Olson. Mrs. L. V. Sittler will be in charge of the hospitality table.

General plans are being made by the social committee composed of Dr. and Mrs. James Kopriva, Mr. and Mrs. Warren Polley and Mr. and Mrs. Art Meyers.

Special invitations will be sent to the church members who have joined with them. All friends of the church are invited.

Lake Marie and Antioch Boys to Be Installed As DeMolay Officers

Lakes Chapter, Order of DeMolay will hold its public installation of officers at 8 p. m. Saturday at the Libertyville Masonic Temple.

Robert Terry of Lake Marie will be installed as senior deacon and Fred Clarke, Donald Wirtz, William Barnstable, and Raymond Van Patten, all of Antioch, will also take office.

The order of DeMolay is a youth organization for those aged 14 to 21.

The officers will be installed by their advisory board, and the Libertyville assembly of Order of Rainbow for Girls will be escorts for the evening.

The Channel Lake Community club will hold a benefit party at the Wayside Inn, Channel Lake, Saturday evening, Jan. 22, 8 p. m. Proceeds are to be used to buy sports equipment for the Channel Lake Grade school.

Iris McKinney and Phillip H. Gray Wed on New Year's Eve

Miss Iris McKinney, daughter of Mr. and Mrs. Herbert McKinney of Antioch, and Phillip H. Gray, of Chicago, were married at 5 p. m. December 31 in Thorndyke Hilton Memorial chapel in Chicago by the Rev. Robert Stone, Pastor of Manor Community church in Chicago.

Mrs. Gray is a graduate of Illinois State Normal university with a Bachelor of Science degree in education, has done advanced work at the University of Chicago, taught English at the Antioch Township High school from 1947 to 1952 and also was in charge of the school paper the "Tom Tom." She is currently in charge of The Comptometer School at Hammond, Ind.

Mr. Gray is a student in the master's division at the University of Chicago and is studying for his doctorate in experimental psychology. The couple is now living at 5831 Cottage Grove in Chicago.

Small Fire at Roach Home

The Antioch fire department extinguished a blaze which started last evening from a leaking oil furnace at the home of Mrs. Roach and children in the Earl Arthur property 427 Orchard St. The firemen with but a short distance to go, extinguished the blaze before it had done much damage. The flames burned the wall near the floor.

Grass Lake Boy Scout Drive to Raise \$200 Will Start January 23

Ray Breuer, Boy Scout finance drive chairman in Grass Lake, announced today that more than 25 local residents have volunteered to solicit funds in the finance drive for \$200 which is scheduled to open here on Sunday, Jan. 23.

"We hope to knock on every door in Grass Lake, Indian Point, Petite Lake, and Lotus Woods," Mr. Breuer said, "and we are confident that our neighbors will respond generously to the plea for support of the local Boy Scout movement."

Mr. Breuer emphasized that more than 60 Cub, Explorer and Boy Scouts in Grass Lake area must rely for their 1955 program on the results of this finance campaign.

Fund drives also will be conducted in 26 other North Shore Area Council communities in Lake and Cook counties.

Chairman Breuer has named the following sectional chairman, who will spearhead the door-to-door canvass in Grass Lake community: Lewis Hribar, Colie Golden, Bob Hart, and Ralph Tutein.

Other key members of the Grass Lake organization are Henry Jensen, special gifts chairman; Harry Jesse, business and industrial solicitation chairman; Fred Brown, auditor, and Walter Mozal, publicity chairman.

Breuer pointed out that interest in scouting is high in Grass Lake area, where more than 60 boys are active in Boy Scout troop, Cub Scout Pack, and Explorer Scout Post. About 20 adults volunteer their time and energy here to teach these boys self-reliance and other basic elements of good citizenship.

At Grass Lake the finance drive provides our share of the funds necessary to maintain the Council program. Chairman Breuer emphasized that the Boy Scouts get no Community Chest financial aid at Grass Lake, as they do in many other communities in this area.

Breuer urged local residents to give their generous support to the local Scouting effort. He pointed out that the average 1954 contribution ranged from \$2 to \$25.

Why support Scouting? Chairman Breuer puts it this way: "Tomorrow's men and leaders are today's boys. Each of us has a responsibility to contribute to their mental, moral and spiritual growth. We can do it through Scouting. None of us can afford to shrug off this important obligation to our youth and to our nation."

LAKE VILLA

Rev. Plummer and family arrived home last week after a very pleasant vacation trip to Florida where they visited the Dunbar family at Ormond Beach. Rev. Plummer was in his regular place in the pulpit Sunday and his sermon topic was "Try and See."

The M. Y. F. of the Community church met at the church at 6:30 Sunday evening and many of the members will attend the mid-winter institute at the Libertyville Methodist church next Saturday and Sunday. The topic for discussion will be "Ways to Peace." This institute is for boys and girls of seventh and eighth grades and high school. The people of the Libertyville church will entertain visiting members of the group at their homes.

The Ladies' Auxiliary to Lake Villa Memorial Post No. 4308 of V. F. W. will hold a home bakery sale at the Hucker garage on Saturday, Jan. 22, beginning at 9 a. m. and will have a variety of home baked pies, cakes, etc., on hand to meet your needs.

Mary Kay Jarvis celebrated her eleventh birthday last Sunday at a skating party at the lake. The girls later were entertained at the Jarvis home at a social hour and refreshments.

Rev. Plummer will conduct a class in church history and membership on each Wednesday evening, beginning on February 2 for a number of people who wish to become members or for any interested people. This will be held at the church.

Lake Villa Parent-Teacher Association met at the school gym Monday evening and Pres. Mrs. John Emerson presided. The pupils of the school gave a gym demonstration under direction of their teachers and physical education leaders, and the fourth grade mothers served refreshments at the close of the meeting.

The grand opening of the new filling station on the northeast corner of Grand Avenue and Rte. 21, was held over the week end and

patrons received bargains as well as prizes. Plans are being made for further attractions on the property, formerly a part of the Lehmann estate.

Miss Irene Perry left last Wednesday evening by plane on a vacation trip to California where she will visit friends and see interesting places.

Mrs. Henry Nader returned Sunday from the Condell hospital where she had been a surgical patient for a week.

The Royal Neighbors of Cedar Lake Camp will hold installation Jan. 25 at the village hall.

Misses Karen and Donna Martin who are both in DeKalb—Karen as secretary and Donna a student, were home with their parents, Mr. and Mrs. Gordon Martin over the week end.

The Youth Fellowship of the Village church in Lake Villa met Sunday evening at the home of Mrs. Opal Nelson in Venetian Village and enjoyed a skating party in which seventeen young people took part. The group then came to Mrs. Nelson's home for refreshments and a devotional period led by Earl O'Brien. On Sunday, Jan. 23 the group will go to Park Ridge to attend a Youth Rally.

The Pinochle club met Tuesday, Jan. 11 with Mrs. Leota Johannes in Villa Woods subdivision for the regular gathering.

Mr. and Mrs. Jake Wallace of Lake Villa and Mr. and Mrs. Bruno Kuhn of Ingleside were in Waukegan on Sunday and were dinner guests of Mr. and Mrs. Oscar Douglas who formerly lived west of the village. Oscar does road construction work out of Waukegan.

Mr. and Mrs. Jake Wallace entertained Mr. and Mrs. Clarence Ritta and their daughter, Mrs. Walter Stang, her husband and son at dinner on Wednesday, Jan. 12 in honor of the 87th birthday of Mr. Wallace's and Mrs. Ritta's father, Mr. Ollie Wallace, who lives near his son and is very active.

WINTER DRIVING

The Chicago Motor club advises winter walkers to be extra alert. Snow and freezing rains that make it difficult for you to see on oncoming motorists make it difficult for him to see you.

Icy roads are more dangerous on warmer days than in zero weather, because melting ice offers less traction. Warm winter days call for extra caution when stopping.

You can't stop on an icy dime. In winter, drive cautiously, pump brakes to gradual stop.

The Chicago Motor club points out that snowtime is sledtime. Motorists must be able to stop because children on sleds can't.

Driver License Law Enforcement Result Is 100 Lives Saved

Secretary of State Charles F. Carpenter stated today that the Driver License law which his office administers was a definite factor in saving the lives of approximately 100 persons during the past twelve months.

The previous increasing trend of death on Illinois streets and highways was stopped and reversed during 1954 for the first time since the war years when auto travel was severely curtailed by restriction.

The decrease in deaths from automobiles was achieved in practically all sections of the state, Secretary Carpenter said, and was made "despite the fact that more motor vehicles were in operation and were driven more total miles than at any time in the history of our state. This clearly underlines the fact that an important factor of the statewide saving of lives was the Driver License law."

Secretary Carpenter complimented newspapers and radio stations in the state for having actively participated in the campaign to make provisions of the strict licensing law known to motorists and for having publicized suspensions and revocations of driving privileges due to convictions for drunken driving or other causes. More than 6,000 drivers have had such action taken against them since the new law became effective.

Secretary Carpenter also spoke highly of the safety work of the Chicago Motor Club, the Citizens Traffic Safety Board of Chicago, the Illinois Agricultural Association and other organizations interested in highway safety. "However," he said, "there is no doubt that their work in the cause of highway safety was tremendously implemented by rigid and strict enforcement of the Driver License law penalties. It should be sufficiently clear by now that any person who speaks out against the new Driver License law is actually speaking in favor of increasing the slaughter on our highways."

Secretary Carpenter also pointed to the traffic death reduction in Chicago and credited the Driver License law with a share of the credit for the saving of lives in that city. "The suspension and revocation of driving privileges of Chicago drivers undoubtedly aided the authorities of that city in reducing the death toll."

Business Firms Soon Will Receive Census Forms for Last Year

Report forms of the 1954 Census of Business are being mailed to Illinois retail, wholesale and service businesses, theatres and other amusement places, hotels and tourist courts, early in January by the Bureau of the Census, Department of Commerce. The report forms are adapted to the various kinds of business and smaller firms need answer only a minimum of basic inquiries.

Approximately three million business firms throughout the United States will receive the 1954 census forms. Information collected in the census is confidential and will be used by the Bureau of the Census in compiling new statistics on business activities for the Nation, States and smaller areas for the first time since the results of the 1948 Census of Business were published.

Selected figures for Illinois from the 1948 Census of Business follow:

Retail Trade, 1948
Number of stores103,405
Sales for the year\$8,805,257,000
Payroll for the year...\$ 979,688,000

Wholesale Trade, 1948
No. of establishments17,454
Sales for the year\$18,136,506,000
Payroll for the year \$ 689,689,000

The census bureau is prohibited by law from publishing figures which might disclose information about individual companies.

FLAT WORK

Social Security Law Interests Farmers at Record Book Meeting

The largest number of farmers ever to attend a meeting on farm records attended the meeting on Jan. 6 according to Ray T. Nicholas, farm adviser. There was barely standing room in the Farm Bureau hall, as farmers came to hear Extension Agricultural Economics Specialist, Jack Claar, discuss Social Security, Income Tax, and Farm Records.

A poll of the group before the meeting started indicated that all were interested in the new social security law, as it affects self-employed farmers for the first time in 1955. Mr. Claar discussed the new Social Security Law as it applies to farm families and suggested that they contact the district social security office for specific information. This office is located in the new post office building in Waukegan.

Mr. Claar pointed out that the new law now brings Federal old-age and survivors insurance to most farm families. It takes effect Jan. 1, 1955, and makes two main changes concerning farm people:

(1) Farm operators—people farming for themselves—have not been covered by the social security law up to now. Beginning Jan. 1, 1955, all of them who make as much as \$400 profit in a year will have old-age and survivors insurance protection.

(2) Farm employees—people doing farm work for others—are al-

ready covered by the law if they work regularly for one farm operator. The new law brings old-age and survivors insurance protection to all farm workers who earn as much as \$100 cash pay in a year from any one farmer, whether the work is regular or not.

Following the discussion on Social Security, Mr. Claar discussed some changes in the Income Tax law as it applies to farmers.

He stated that where farmers file an estimate before Jan. 15, 1955, they have until April 15 to make their final returns. Where no estimate is filed, returns must be made by January 31.

Methods of taking depreciation were also discussed.

Before the meeting was over, everyone had decided that the keeping of accurate records was more important than ever. Record books were obtained from the Farm Adviser's office at the close of the meeting.

Anyone desiring the Illinois Farm Record Book or a circular on Farm Income tax may obtain it from the Farm Adviser's office in Grayslake.

Phillips to Go to Florida
Carl Phillips of Channel lake is having to give up his work at the Willowdale dairy because of his health and within the next month will go to Hollywood, Fla., where he will work for the Hoffman Construction Co. with which he was associated for 12 years. He will be accompanied by his family. Excessive use of water on his hands as demanded in the dairy business was

impairing his health, his physician told him.

Four-H Club Elects

The Antioch 4-H club has elected as new officers Jeanne Sobey, president; Janet Keisler, vice-president; Karen Lightsey, secretary; Pat

Pomys, treasurer; Milda Kuzmickas, reporter; Susan Gilday, recreation chairman. The next meeting will be on Monday, Jan. 24.

Mrs. H. B. Gaston, Antioch, and Mrs. Fred Tschabold, of Fox Lake left Antioch Saturday for Florida

where they expect to spend several weeks. They spent Sunday with Mrs. Gaston's parents, Mr. and Mrs. Martin Erkman at Carmi, Ill.

Styling that's stealing
the thunder from the
high-priced cars!

It costs no more to form a sheet of steel into a graceful shape than it does an awkward one — so price has nothing to do with styling. Only the talent of its designers determines whether a car is a delight to the eye or it isn't.

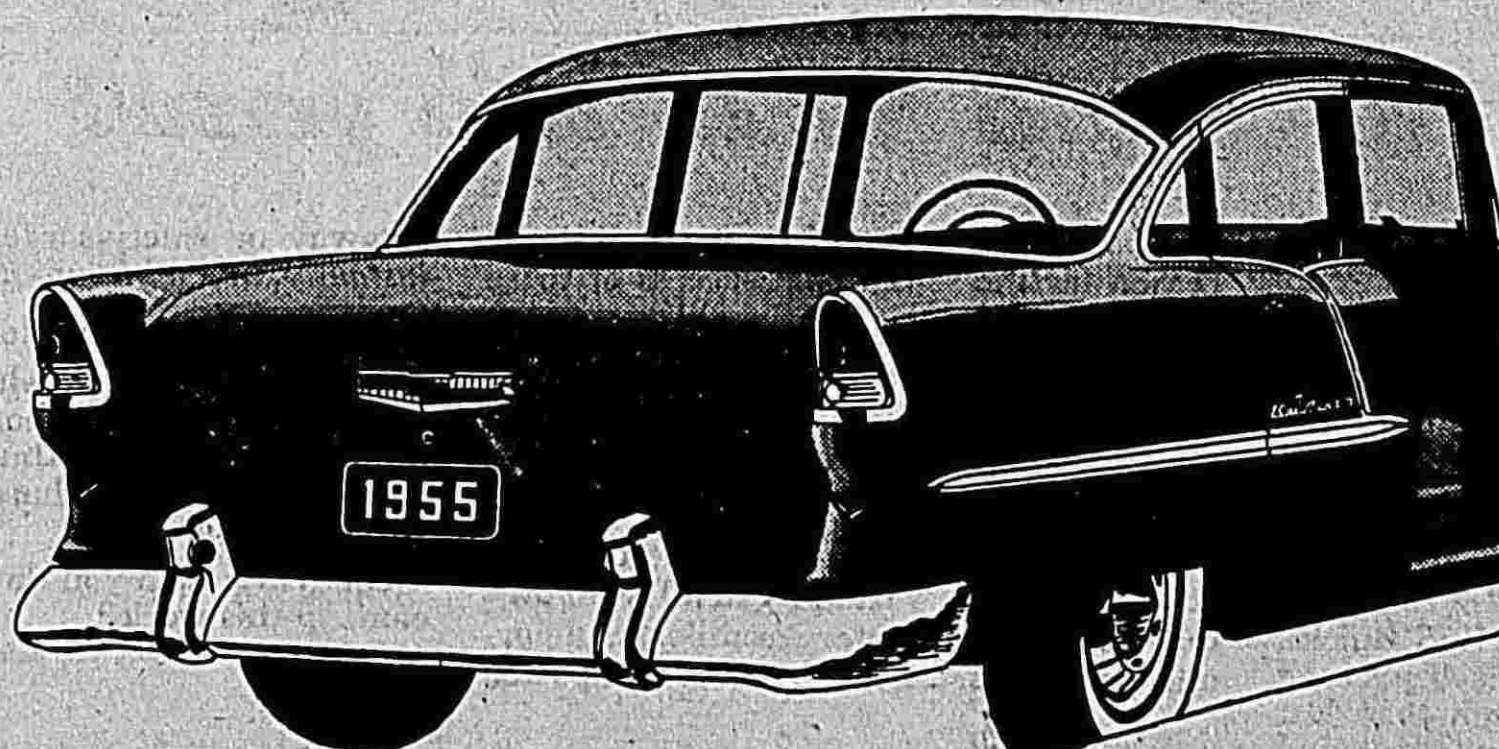

You couldn't find more pointed proof of this than the 1955 Chevrolet — for here is a low-priced car that has snatched the styling spotlight, overshadowing even the highest-priced creations with its subtle sweep of line, the bold rake of its deep-curved windshield.

New V8 and two new 6's

But the Motoramic Chevrolet has advances in engineering that even surpass its styling. There are three ultra-efficient new engines — the 162-h.p. "Turbo-Fire V8" and two "Blue-Flame" 6's. There is a whole new chassis design, with spheri-

cal-joint front suspension that spurns bumps like a swallow skimming a lake, and Anti-Dive braking control to check that sharp "nosing down" of the front end.

There are three new drives — sturdier Synchro-Mesh and, optional at extra cost, a silkier Powerglide automatic transmission or the flexibility of Touch-Down Overdrive . . . plus all the power helpers you could wish. Try a 1955 Chevrolet — now — and find out why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR . . .
A NEW CONCEPT OF LOW-COST MOTORING

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

It's a

Fore and Aft- and Curbside, too -

It's the style hit of the year!

You can take our word for it when we tell you this:

The first time we put eyes on the 1955 Buicks, we really raised a cheer.

To top the looks of last year's Buick—the car that moved Buick into the top three of the nation's best sellers—that was something.

That gave us two hits in a row, we figured—and it seems we figured right.

For with these stunning new 1955 Buicks, we're getting even more noses pressed against our showroom windows than last year—and more folks coming in to look and study and drive and buy.

But bold new styling, of course, is just one reason for the sensational success of these great cars.

New power is part of the picture—robust new V8 power in record might—236 hp in the CENTURY, SUPER and ROADMASTER—188 hp in the low-priced SPECIAL.

New performance, too—from the dynamic action of Buick's Variable Pitch Dynaflo* that gives you far better gas mileage in normal driving and cruising—and full-power

getaway or safety-surge acceleration, but instantly, and with infinite smoothness.

So you can see that just looking isn't enough.

You have to take that wheel in your hands, try that power, feel that Dynaflo take-hold surge, sample that Million Dollar Ride—and check the hard-to-pass-up prices we're quoting.

We'll gladly help you do all that. Why not come in this week?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick
